The ESL classes provide introduction to basic English for essential life skills. The lessons integrate vocabulary, life skills, and a gentle introduction to very basic grammar. Through listening, speaking, reading, writing, discussion, games, and other activities, the goal is to meet the needs of students with different learning styles and particular abilities and strengths. Lead instructors conduct the classes and are assisted by a team of volunteers.

Classes are scheduled on Tuesday and Thursday from 6:30 p.m. to 8 p.m. Child care is provided.

Review sessions are scheduled on the second and fourth Sundays from 3 p.m. to 4:30 p.m. Child care isn't provided for these sessions.
